

CITY OF LUNA PIER
ORDINANCE NUMBER 211 - C

AN ORDINANCE TO AMEND THE ZONING ORDINANCE NUMBER 211 TO ADD ARTICLE 34-MARIHUANA FACILITIES, REGULATIONS FOR MEDICAL AND ADULT USE FACILITIES AND TO REMOVE SECTION 1307 USES PERMITTED SUBJECT TO SPECIAL CONDITIONS, MEDICAL MARIHUANA FACILITIES, AND TO UPDATE AND MAKE ADDITIONS IN ARTICLE 2 FOR MARIHUANA FACILITIES RELATED DEFINITIONS AND TO UPDATE THE ZONING MAP WITH THE ADDITION OF THE MARIHUANA FACILITIES OVERLAY DISTRICT.

The City of Luna Pier ordains:

Section 1. Title.

This Ordinance shall be known as the Zoning Amendment Ordinance for Article 34 Marihuana Facilities Regulations and will repeal Zoning Ordinance 211, Article 13, Section 1307, Numbers 1 thru 5.

Section 2. Addition of Special Use.

Article 34, of the City of Luna Pier Zoning Ordinance, Ordinance 211 as amended, are hereby amended to add Marihuana Facilities Regulations and subject to Planning Commission Special Use Approval.

Section 3 Addition of-Article 34- Marihuana Facilities

SECTION 3400 INTENT AND PURPOSE

The Marihuana Facility Overlay District (MFO) is intended to provide opportunities for the development of certain Commercial Marihuana Facilities permitted under the Michigan Regulation and Taxation of Marihuana Act, MCL 333.27951 et seq. This Section proposes to accomplish this through the implementation of regulations that promote the use of certain land(s) while protecting the public health, safety, and welfare of the residents of the City of Luna Pier and to establish reasonable uniform regulations for their operation, while preserving the small-town, unique waterfront character of the City of Luna Pier, within the MFO District for certain Commercial Marihuana Facilities.

SECTION 3401 PERMITTED USES

Only the following types of marihuana facilities, as authorized by the Medical Marihuana Facilities Licensing Act, MCL 333.27101 et seq. and the Michigan Regulation and Taxation of Marihuana Act, MCL 333.27951 et seq., and the City of Luna Pier Regulations are

SECTION 3404 MEDICAL MARIHUANA USES PERMITTED SUBJECT TO SPECIAL CONDITIONS

1. Medical Marihuana Facilities must comply with the following regulations.
 - A. Facilities must comply with the Michigan Medical Marihuana Facilities Licensing Act, Michigan Compiled Laws 333.27101 et seq.
 - B. At the time of application for a special use permit the marijuana facility must be licensed by the State of Michigan, or have the State of Michigan license

concurrently in process with the special use permit approval and then must be at all times in compliance with the laws of the State of Michigan including but not limited to the Michigan Medical Marihuana Act, MCL 333.26421 *et seq.*; the Medical Marihuana Facilities Licensing Act, MCL 333.27101 *et seq.*; and the Marihuana Tracking Act, MCL 333.27901 *et seq.*; and all other applicable rules promulgated by the State of Michigan.

- C. At the time of application for a special use permit the marijuana facility must be licensed by the City of Luna Pier, [or have the City of Luna Pier license concurrently in process with the special use permit and site plan approval], and then must be at all times in compliance with Ordinance Number 239.
- D. The use or facility must be at all times in compliance with all other applicable laws and ordinances of the City of Luna Pier including Site Plan Approval.
- E. The City of Luna Pier may suspend or revoke a special use permit based on a finding that the provisions of the special use standards in this section, all other applicable provisions of this zoning ordinance, Ordinance 239, Building Codes or the terms of the special use permit and approved site plan are not met.
- F. Signage requirements for marijuana facilities are not permitted as stated in Article 24, Section 2410, 9. I-1 District, and shall comply with Article 24, Sections 2400 and 2401, 3. B-1 District requirements.
- G. Only one (1) Retail Marihuana facility shall be permitted per parcel: however, Co-located facilities and stacked grower licenses may be permitted, subject to regulations of this section and the State of Michigan.
- H. Facilities shall have sufficient setbacks as stated in Article 18 – Schedule of Development Standards, for an I-1 District, unless otherwise required here-in, and include landscape screens or buffers to minimize light, odor and noise affecting adjacent properties.
- I. Special use applications must provide a plan for secure storage and disposal of marihuana and chemicals, to minimize risk of theft or exposure.
- J. All storage shall be contained within a fully enclosed building, unless the Facility has received prior Site Plan approval and conditions for outdoor storage.
- K. Facilities must be constructed with opaque facades so that marihuana plants and products are not visible from exterior areas.
- L. The roofs of facilities must be constructed of rigid materials, not thin films, and further conform to all Michigan Codes.
- M. Buffer Zones. A Marihuana Facilities or Establishment may not be located within the distance specified from the uses below, measured as follows: The distance shall be measured as the shortest straight-line distance between the property line of the location of the following uses to the closest point of the building of the provisioning center, whichever is less.
 - a. Marihuana Facilities or Establishments may not be located within 100 feet of the real property comprising or used by a public or private elementary, vocational, or secondary school; a public or private college, junior college, or university; a licensed child care center or preschool; a public playground, public swimming pool, or public or private youth activity facility; a public park, public outdoor recreation area, or public recreation facility; or a public library;

- or a religious institution or a residentially zoned property.
2. Marijuana growers and marijuana processors shall additionally be subject to the following standards:
 - A. Marijuana production and processing shall be located entirely within one or more completely enclosed buildings.
 - B. Lighting shall be regulated as follows: Light cast by light fixtures inside any building used for marijuana production or marijuana processing shall not be visible outside the building from 7:00 p.m. to 7:00 a.m. the following day.
 - C. Odor. As used in this subsection, building means the building, or portion thereof, used for marijuana production or marijuana processing.
 1. The building shall be equipped with an activated carbon filtration system for odor control to ensure that air leaving the building through an exhaust vent first passes through an activated carbon filter.
 2. The filtration system shall consist of one or more fans and activated carbon filters. At a minimum, the fan(s) shall be sized for cubic feet per minute (CFM) equivalent to the volume of the building (length multiplied by width multiplied by height) divided by three. The filter(s) shall be rated for the applicable CFM.
 3. The filtration system shall be maintained in working order and shall be in use. The filters shall be changed a minimum of once every 365 days.

 6. An alternative odor control system is permitted if the special use permit applicant submits and the municipality accepts a report by a mechanical engineer licensed in the state of Michigan demonstrating that the alternative system will control odor as well or better than the activated carbon filtration system otherwise required. The municipality may hire an outside expert at the Licensee's expense to review the alternative system design and advise as to its comparability and whether in the opinion of the expert it should be accepted.
 7. The above Odor requirements shall result in no detectable odor outside of the building at any time.
 - D. Security Cameras. If used, security cameras shall be directed to record only the subject property and may not be directed to public rights-of-way as applicable, except as required to comply with licensing requirements of the State of Michigan.
 - E. Facility property shall include 24-hour, seven-days-a-week staffed security presence on the property.
 3. Provisioning centers shall be additionally subject to the following standards:
 - A. Hours. A provisioning center may only sell to consumers or allow consumers to be present in the building space occupied by the provisioning center between the hours of 9:00 a.m. and 9:00 p.m.
 - B. Indoor Activities. All activities of a provisioning center, including all transfers of marijuana, shall be conducted within the structure and out of public view. A provisioning center shall not have a walk-up window or drive-thru window service.

- C. Other Activities. Marijuana and tobacco products shall not be smoked, ingested, or otherwise consumed in the building space occupied by the provisioning center.
- D. Nonconforming Uses. A provisioning center may not locate in a building in which a nonconforming retail use has been established in any district.
- E. Physical Appearance. The exterior appearance of the structure shall remain compatible with the exterior appearance of structures already constructed or under construction within the immediate area, and shall be maintained so as to prevent blight or deterioration or substantial diminishment or impairment of property values within the immediate area.
- F. Odor. As used in this subsection, building means the building, or portion thereof, used for a provisioning center.
 - 1. The building shall be equipped with an activated carbon filtration system for odor control to ensure that air leaving the building through an exhaust vent first passes through an activated carbon filter.
 - 2. The filtration system shall consist of one or more fans and activated carbon filters. At a minimum, the fan(s) shall be sized for cubic feet per minute (CFM) equivalent to the volume of the building (length multiplied by width multiplied by height) divided by three. The filter(s) shall be rated for the applicable CFM.
 - 3. The filtration system shall be maintained in working order and shall be in use. The filters shall be changed a minimum of once every 365 days.
 - 4. Negative air pressure shall be maintained inside the building.
 - 5. Doors and windows shall remain closed, except for the minimum time length needed to allow people to ingress or egress the building.
