Luna Pier Master Plan

Planning For Luna Pier!

Luna Pier's Master Plan is the community's vision for the future; it governs how land should be used and establishes priorities for projects and funding for the next 5+ years.

In support of the preparation of the Luna Pier Master Plan, this survey is being conducted to gather input from residents and stakeholders like you! Your valuable input will play a pivotal role in shaping the community's master plan and its goals and objectives, which serves as a guiding compass for City leaders and decision-makers as we plan for the future together.

Share your opinions and great ideas for the future of Luna Pier in this 5-minute, anonymous survey.

This survey will close on February 2nd, 2024. If filling out a hard copy survey, please return to City Hall by February 2nd, 2024.

Thank you for your time and continued support of Luna Pier!
