

CITY OF LUNA PIER
MONROE COUNTY, MICHIGAN

ORDINANCE NO. 211-I
(AMENDMENT TO ORDINANCE 211 - CITY OF LUNA PIER ZONING ORDINANCE)

An Ordinance to amend Article 14 - I-2 General Industrial Districts, Section 1406 - Uses Permitted Subject to Special Conditions, by adding subparagraph 7 to Section 1406 to include special conditions for "Transloading".

THE CITY OF LUNA PIER ORDAINS THAT:

Article 14, Section 1406, subparagraph 7 is hereby added to include special conditions for "Transloading".

7. Transloading subject to the following conditions:

(a) No transloading shall be permitted within one thousand (1,000) feet of a district zoned for residential use.

(b) No transloading shall be permitted within one thousand (1,000) feet of an existing residential use regardless of the zoning classification.

(c) No transloading shall be permitted within five hundred (500) feet of any other zoning district.

(d) The distances provided in this Section shall be measured in a straight line, without regard to intervening buildings, from the nearest point of the property parcel line upon which the proposed use is to be located or the zoning district boundary line from which the proposed land use is to be separated.

(e) All transloading use and activity shall only be conducted within a fully-enclosed building with a concrete floor.

(f) No transloading use shall emit noxious, toxic, or corrosive fumes or gases, in such concentrations as to be detrimental to or endanger the public health, safety, comfort or welfare, or cause injury to property or business

(g) No transloading use shall carry on any operation that would produce heat or glare beyond the boundary line of the parcel upon which the use is permitted to exist.

(h) No transloading use shall use any form of lighting in a manner that produces glare on public highways, roadways, and/or neighboring property.

(i) Disposal of all wastes, including but not limited to hazardous waste, shall comply with all local, state, and federal regulatory standards regarding waste disposal.

(j) Public roadways, services and facilities affected by transloading uses shall be capable of accommodating increased service and facility loads caused by said land uses.

(k) Transloading use shall be conducted in such manner to protect the natural environment and conserve natural resources and energy.

(l) Transloading use shall be conducted in such manner to insure compatibility with adjacent uses of land, and to promote the use of land in a socially and economically desirable manner.

(m) Transloading use and the required Site Plan shall be designed to protect the natural resources both on site and off site, and shall protect the health, safety, and welfare, as well as the social and economic well-being, of those who will use the land use or activity, residents and landowners immediately adjacent to the proposed land use or activity, and the community as a whole.

(n) Transloading use and required Site Plan shall comply with all local, state, and federal regulatory standards for air, noise, water, wetland preservation, wildlife habitat preservation, and land and water pollution control measures.

(o) All other requirements of the I-2 District shall be complied with regarding height, area, setback, screening, screening walls, signs, etc.

EFFECTIVE DATE

This Ordinance shall become effective thirty (30) days after a summary has been published as provided by law.
